

# Vegetable Maths Masters: Counting Handout

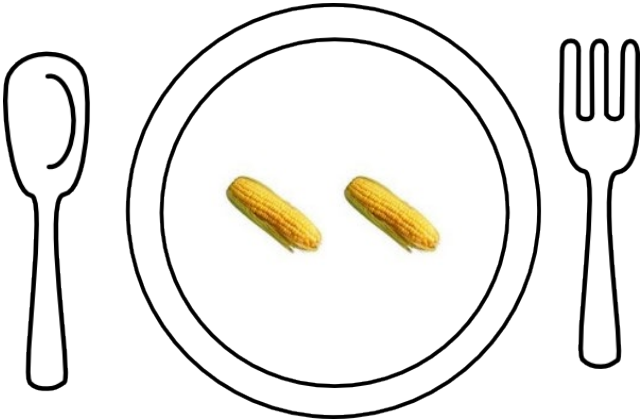

Can you count how many vegetables there are on each plate?

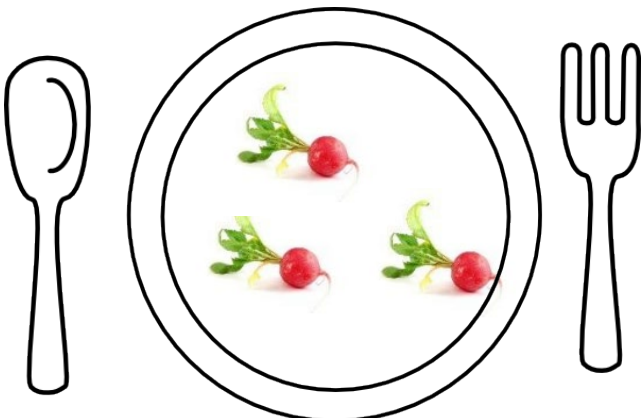

There are 3  
broccoli florets on this  
plate.

There are \_\_\_\_\_  
red peppers on this  
plate.

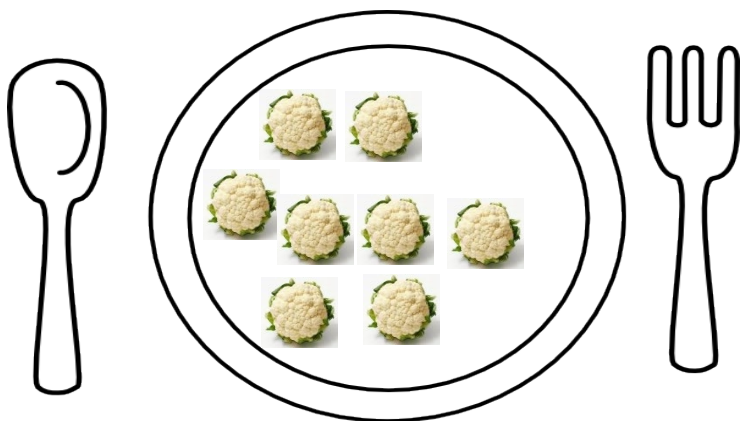

There are \_\_\_\_\_  
corn on the cob on this  
plate.

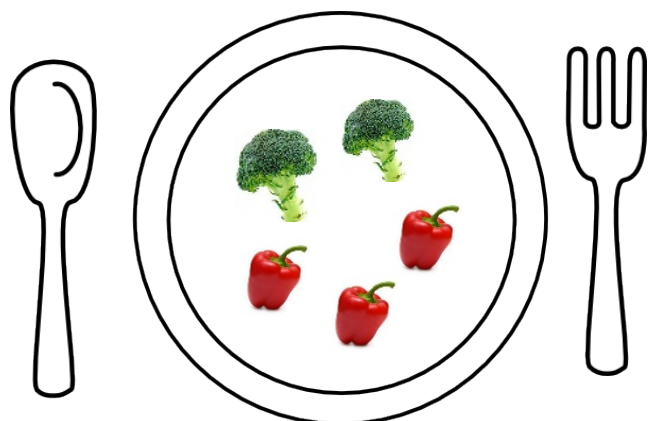

There are \_\_\_\_\_  
radishes on this plate.

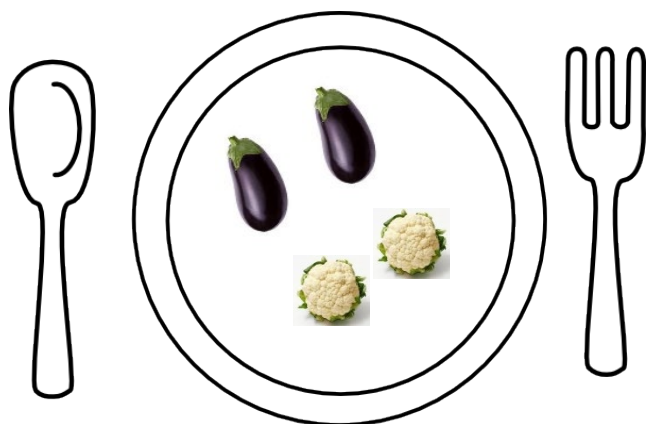

There are \_\_\_\_\_  
cauliflowers on this plate.

There are \_\_\_\_\_  
broccoli florets and  
\_\_\_\_\_ red peppers  
on this plate. There  
are \_\_\_\_\_  
vegetables altogether.

There are \_\_\_\_\_  
aubergines and  
\_\_\_\_\_ cauliflowers  
on this plate. There  
are \_\_\_\_\_  
vegetables altogether.
